

The AAMDC is partnering with Canadian municipal associations to meet their fleet procurement needs. As one of the leading public sector buying groups in Canada, the AAMDC provides members with quality and competitively priced goods and services for their everyday needs. Our programs provide cost, time and administrative savings and are fully trade compliant.

PFA CANADA

An innovative national program specializing in the distribution of fuel and lubricants. PFA offers a simple alternative to managing fuel and lubricant purchases and ensures member municipalities are purchasing fuel at a competitive cost.

NAPA AUTO PARTS

Our program offers exclusive pricing for quality automotive parts available at your local NAPA stores.

CAPITAL PURCHASING PROGRAM

Streamline the purchasing process of your capital equipment by utilizing an AAMDC contract solution for heavy equipment.

NATIONAL TIRE PROGRAM

National Account discounts on Tier One Tires by industry leading manufacturers. Pricing is available from AAMDC client relations staff.

STAPLES BUSINESS ADVANTAGE

Staples Business Advantage, the contract division of Staples Inc. has partnered with the AAMDC to provide office products, technology products, facility supplies and breakroom supplies.
