

We believe in every worker's right to a safe and healthy workplace.

Our mission is to proactively promote and create safe and healthy work environments across Canada. To achieve this mission, we continually strive to improve health and safety programs, elevate individual and corporate health and safety awareness, and develop and utilize innovative technologies that support workplace health and safety.

Our national reach and multi-disciplinary approach to safety management allows you to access a complete suite of health and safety services for a fraction of what it would cost to source these services individually.

Our team of trained professionals will work with you to develop and implement customised, innovative solutions that meet your specific safety needs while ensuring compliance with all government policies, regulations and legislation.

Our infrastructure allows us to provide you with the same exceptional level of service, regardless of where you are located.

Barantas has performed across these areas and entities:

- Federal Government
- School Boards
- Power Generation
- Professional Associations
- Provincial Labour Committees
- Trade Associations
- Non-Profit
- Policing
- Unions
- Private and Public Companies

Barantas is a full-service provider for all your health and safety needs

BARANTAS (bär-änt-üs) from Manx Gaelic: authority, surety, security, safe place or safe haven.

Your Trusted Partner in Workplace Health and Safety

Pushing the leading edge of knowledge — and its application to health and safety for the individual, the company, and the community — so that accidents and loss can become things of the past.

We build relationships based on mutual trust by providing our clients with comprehensive, long-term protection and a personalized partnership, anchored by our commitment to service excellence.
