CAMA BOARD REPRESENTATIVE  
2020-2021 NOMINEE**

**Gary Kent, ACCA, CPA, CGA, ICD.D  
Commissioner of Corporate Services and Chief Financial Officer  
City of Mississauga, ON**

Thank you for considering my application. I have been a member of CAMA for 15 years and attended multiple conferences, promoted their toolkits locally and sat on their Awards Committee. Having learned from and contributed to many of the associations that support our sector including FCM, IPAC and ICMA, I know that CAMA's reputation is strong.

I have worked in the Municipal Sector for the past 24 years across various services and have deep experience in municipal issues, including infrastructure, transportation, housing, finance and governance. I understand how all the levels of government work, and am excited by the municipal agenda, the never-ending quest to deliver value for money and need to govern ethically.

I have recently completed the Bloomberg/Harvard Cities Leadership course and Directors Education Program from Rotman and am experienced at working on Boards and their committees.

Senior levels of government understand that municipalities are critical to our future and this is an important moment for the sector to be strategic, organized and clear. With my experience and knowledge, I feel I could make a strong contribution to CAMA's Board and the sector's future success.
