About the speaker

Alicia Keating
Assistant Director,
Corporate Services
Acting City Treasurer
City of Fredericton, NB

Alicia Keating obtained her Chartered Accountant designation in 2006 and started with the City of Fredericton in 2007. Her primary role was to address accounting changes as a result of PSAB requirements for municipalities. Since then, she has been a board member for the Canadian Network of Asset Managers and has participated in various programs on asset management through the Federation of Canadian Municipalities. Alicia is currently the Assistant Director, Corporate Services/Acting City Treasurer at the City.

So you have an Asset Management Plan. What Next?

As a result of Public Sector Accounting Board rule changes for municipalities, many municipalities went through an accounting exercise for PSAB 3150 compliance. But what do you do next? How do you use the data to make better decisions? Hear the story of the City of Fredericton's asset management journey, accomplishments, partnerships, and the road to sustainable infrastructure.
