National Bank is committed to meeting clients' needs and building lasting, trust-based relationships. It offers personalized service and specialized savings, investment, financing and payment solutions through a wide network of branches and electronic channels. The Bank also offers a full range of products and services for big business. It is an active player on national and international capital markets and has subsidiaries operating in securities brokerage, insurance and wealth management, as well as mutual fund and pension plan management.

In 1991, National Bank set up a specialized Government and Public Sector (GPS) team to provide personalized service to public and parapublic organizations, Crown corporations and government ministries. The team strives to build long-lasting relationships with key players in the sector, leveraging its expertise and industry knowledge to help clients optimize their operations while providing effective, client-centred service.
