CAMA'S MISSION

“To champion excellence in municipal administration and develop resilient leadership through professional development, networking and advocacy.”

CAMA'S VISION

“The Canadian Association of Municipal Administrators (CAMA) is recognized nationally and internationally as the premiere Canadian organization representing municipal administrators”.

CAMA'S STRATEGIC PILLARS (FOR 2016-2021)

CAMA has identified the following pillars for our Strategic Plan for the period 2016-2021 that will continue to be the focus for the Association's future programs:

Professional Development

- Provide members with leading edge trends, tools and best practices for local government management through state-of-the-art sharing and professional development opportunities.

Networking and Partnerships

- Create strong, strategic relationships.
- CAMA is well recognized as the national “Go To” experts in Municipal Administration

Member Engagement and Support

- Deliver networking opportunities to engage and connect members.
- Increase the membership by attracting, maintaining and engaging members from large, small, and remote municipalities with an emphasis on balance and diversity.

Resilient Leadership

- Intentional about ensuring success of the profession.
- Foster a professional, respectful relationship between municipal administrators and Councils.

Objectives, activities and performance metrics have been identified for these pillars which are expected to be completed by 2021.

CAMA'S VALUES

CAMA members value:

- Accountability and Professional Integrity.
- Collaboration.
- Transparency and Honesty.
- Innovation and Excellence.
- Diversity and Inclusivity.

CAMA'S STATEMENT OF PURPOSE

CAMA is a network of professionals employed in senior management positions in Canadian municipalities. The Association is a private, not-for-profit, national corporation in which membership is voluntary. Most CAMA members hold membership in a variety of professional associations and are governed by their respective provincial bodies. CAMA is not a certification or accreditation body.

CAMA's expectation is that each of its members will consistently demonstrate the competencies of their professions in serving their municipalities; and, that they will maintain the highest standards of accountability and professional integrity.

Building upon that professional base, CAMA's primary role is to champion excellence in municipal administration by providing its members with opportunities to grow and develop their personal knowledge and skills in best serving the public; and, to assist members with building a culture of service within their municipal corporations based on the values outlined in CAMA's Strategic Plan.

To fulfil its role, CAMA provides its members with networking and professional development opportunities and resources to enhance their proficiency in municipal leadership and management. Sharing of innovative and best practices are integral components of CAMA's mission. To help achieve that mission it is expected that members will take advantage of networking opportunities and will actively participate in professional development events hosted or supported by CAMA.

The ultimate goal is the enrichment of the municipal public service and the quality of life of our citizens. This can be achieved when members are forthright and provide sound advice to public policy makers; when they exhibit honour and integrity in their public and personal relationships; and, when they respect diversity and inclusivity in their decision making.

In the final analysis, it is CAMA's desire that each of its members shall have a public service career characterized by wisdom and integrity.

AWARDS OF EXCELLENCE PROGRAM COMMITTEE

Each year CAMA presents a number of awards to recognize and promote specific contributions and achievements in municipal management. The Awards program allows CAMA to recognize ways in which municipalities across the nation are innovating and delivering value to taxpayers. It also provides CAMA members with new ideas that can often be adapted to their milieu. Municipalities are invited to “strut their stuff” by participating in the Awards program.

Purpose and Objectives

To encourage the improvement of the art of municipal management, to recognize the specific contributions achieved by members of the Association, and to publicize these to other members as well as to the general public.

Awards of Excellence Program Committee

The Awards of Excellence Program Committee is Chaired by a member of the Board of Directors. The Committee is responsible for the promotion of the program, soliciting nominations, establishing the awards jury, selecting the award recipients, conducting the Awards of Excellence Luncheon at the Annual Conference, and a follow up report to the Board.

One of the most important functions of the Committee is to establish the jury to evaluate the nominations. The Chair of the Committee is primarily responsible for the selection of the jury members. A Call for an Expression of Interest to the membership is circulated for this jury. The jury consists of the Chair plus three to five others who should be representative of municipal CAO's (and not a member on the CAMA Board of Directors), as well as the professional and academic communities.

The Board should name a new Chair at least every two years and try to ensure that rotation reflects the regional nature of the country.

It should be also noted that CAMA Board members may submit nominations to the Awards of Excellence Program following the same process as all other CAMA member municipalities; however the Chair of the Awards of Excellence Program Committee is not permitted to participate due to this being a conflict of interest. Members of the Awards Jury may submit nominations, however must declare a conflict of interest for the category for which they applied.

Awards of Excellence Program Committee Chairperson

The Awards of Excellence Program Committee Chairperson (known hereafter as the “Awards Chairperson”) shall:

- Ensure that the work of the Award of Excellence Program Committee is in keeping with the overall goals and objectives of the CAMA;
- Convene & preside over meetings of the Awards of Excellence Program Committee;
- Set the agenda for each meeting of the Committee;
- Assign work to Committee members;
- Review the Awards criteria, program, forms and selection process and report to the Board of Directors on decisions/recommendations of the Committee.
- Act as MC at the Awards of Excellence Luncheon at the Annual Conference including the preparation of a PowerPoint presentation outlining the award submissions and overseeing the production of a video.

Form of Award

Plaques for the nine principal awards are presented by a member of the CAMA Board of Directors, usually the Chairperson, at the Awards Luncheon during the Annual Conference. If a sponsor has been secured for this event, he/she may also be on hand to say a few words and assist in presenting the awards to the recipients.

Categories of Award

Awarded in recognition of the development and implementation of a program, project, or service which exemplifies excellence, innovation, environmental enhancement or educational value in the context of Canadian municipal management, and which was implemented or initiated in the year prior to the presentation of the awards.

Three awards will be presented in each of the following three categories (one to municipalities with a population of 20,000 and under; one to municipalities with a population of between 20,001 to 100,000, and one to municipalities with a population over 100,000):

- **Professional Development Award**

The Professional Development Award recognizes a community that has developed a unique and innovative professional development program for their staff and can be replicated in other communities. Applicants should include documentation which outlines the program in all respects, and also shows evidence that the program has been successfully implemented.

- **Environment Award**

The Environment Award recognizes the commitment of a municipality to environmentally sustainable governance, to protecting the environment and to combating climate change. Awards are granted to programs, projects or services that have made a significant and positive impact on the environment.

- **Willis Award for Innovation**

The Willis Award for Innovation, awarded in recognition of Jack Willis for his contribution to CAMA, is presented for programs, projects or services that demonstrate exceptional innovation or meritorious initiative.

If one submission is received in a category, the Awards Jury should make the executive decision as to whether this submission warrants the award.

CAMA is not obligated to choose a winner in each category.

Awards Nomination Process

In January, the Association Management Firm/Executive Director prepares the Awards Nomination on-line application package and e-mails it to the CAMA membership and also sends a reminder postcard with the membership renewals (via Canada Post). The on-line application package includes the following information:

- On-line nomination forms specific to the population category.
- A Project Overview section including space for an executive summary (a maximum of 250 words), similar in nature to a media release.
- A Project Details section containing some questions relating to the evaluation criteria along with the opportunity to upload a submission (a maximum of 2,000 words) in Word or PDF format. Appendices are not accepted.

The Association Management Firm/Executive Director posts the on-line nomination package to the Awards Section of the CAMA website.

The appropriate nomination forms specific to the award submission must be completed on-line and forwarded to the CAMA National Office no later than March 1st along with a description of the program up to a maximum of 2,000 words. This submission should include the following: a brief description of the program/project; timeframes involved; process of implementation; results achieved; and, names and titles of officials with key involvement.

The fee for each award nomination submitted is \$100.00 plus GST for municipalities with a population over 20,000 or a fee of \$50.00 plus GST for municipalities with a population under 20,000. The fee is paid on-line when the award nomination is submitted (and collected by CivicInfo BC, the service provider).

Upon receipt of all award nominations, the Executive Director circulates the electronic packages to the Awards Jury Committee for consideration. A Conference Call or meeting is arranged with the Awards Jury Committee to discuss all nominations and the award winners for each category are chosen. The Awards Chairperson submits the names of the award winners to the CAMA National Office.

Publicity

The Association Management firm/Executive Director prepares correspondence signed by the Awards Chairperson to the winners and other nominators advising of the decision of the Awards Committee. Personal phone calls are also made to the award winners to advise them of their success and to determine who will be in attendance from their municipality at the Awards Ceremony held at the Annual Conference.

Award winners will be asked to submit a high resolution logo and fifteen to twenty photos of the project to be included in a video that will be shown at the Luncheon. Winners will also be recognized in CAMA's e-Brief, press releases will be prepared and circulated to the local media, and the CAMA Board member closest to the successful community will also arrange to attend a Council meeting to make the award presentation to the Mayor and Council. All submissions will only be accepted in electronic format.

The Association Management firm/Executive Director then implements the following steps:

- Arranges to have plaques made for each award winner to be presented by the Awards Chairperson at the CAMA Awards Ceremony.
- Prepares press releases to be circulated immediately following the Awards Ceremony at the Annual Conference to the communities of the award winners.
- Works with a local marketing firm to produce the video for each award.
- Prepares congratulatory ads to be placed in the local newspaper of the winning municipality if requested by the Board.
- Arranges a time with the award winning municipality to have a CAMA Board of Director attend a City Council meeting to present the award to the Mayor and Council.

Examples of these committees would be the Railway Association of Canada Proximity Committee, the ICMA Awards Committee, the ICMA Conference Planning Committee, and meetings of the Provincial Associations.

- The membership of the committee

Should CAMA determine that it is in its best interest to nominate a member to the committee the following process shall be followed:

yes, the chairperson of the CAMA committee shall be asked if he or she is interested and willing to be nominated.

2. If the chairperson declines the Executive Director shall poll the rest of the Board members to determine the level of interest in the nomination. If one or more Board members express an interest the President in his or her sole discretion shall select the nominee.
3. Should no Board member express an interest in the nomination the Executive Director shall poll the Board members for recommendations from amongst CAMA's regular membership. Should this process produce one or more recommendations the President shall use his or her discretion as to which, if any, of the recommended candidates for nomination shall be selected.
4. Should this process not produce any recommendations, and even in the event that recommendations are made, the President may direct the Executive Director to poll the general membership. In this event the Executive Director shall seek an expression of interest from the CAMA regular members through e-Brief or direct e-mail to the regular membership. The notice to the membership shall provide the detail of the committee mandate and establish a deadline for response.
5. Within a reasonable period following the deadline for expressions of interest the President in his or her discretion shall select an individual from recommendations and expressions of interest for nomination to represent CAMA on the committee.

The successful candidate will be accountable to the CAMA Board of Directors and will be required to provide a written report to the Board outlining a summary of each meeting attended.
