MAY 29-31, 2023 | DEERHURST RESORT, ONTARIO **TOGETHER AGAIN**

WHY ATTEND THE 2023 CAMA ANNUAL CONFERENCE?

Build Your Network from Coast to Coast

The Canadian Association of Municipal Administrators (CAMA) is excited to welcome back together our community of municipal Chief Administrative Officers and senior managers for three days of focused learning, networking, and ultimately, advancing the municipal profession.

Attend this year's Conference and Annual General Meeting to experience this unique opportunity to reconnect face to face with your local government peers from across the country, to build new and collaborative partnerships, and to gain professional development by attending sessions featuring world-class, expert speakers, and unparalleled learning opportunities tailored to Canadian municipal administrators. We design our program to respond to your interests, whether you're a newly minted CAO or a well-seasoned veteran.

Do you have a challenge? There is a broad range of experience to draw from and you are guaranteed that someone has faced something similar in their Province or Territory.
