

CAMA BOARD REPRESENTATIVE FOR
BRITISH COLUMBIA

Evan Parliament
Chief Administrative Officer
City of Revelstoke, BC

Evan Parliament brings a wealth of experience and dedication to the CAMA Board. Serving as the City Manager of Revelstoke since August 2022, Evan has been a stalwart in local government since 1986. With a career that has taken him through various communities, including Bentley, Summerland, Sooke, and Sicamous, Evan's journey is marked by a profound commitment to advancing municipal excellence.

Passionate about sharing best practices for new and aspiring Chief Administrative Officers (CAOs) across Canada, Evan's interests are deeply rooted in economic development and fostering community legacy projects for small municipalities. His extensive experience in holding dual roles as CAO and Economic Development Officer underscores his belief in the power of partnerships. Evan champions innovative approaches to attract investment and tourism dollars, recognizing the limitations of conventional funding streams.

In Revelstoke, Evan's current priorities reflect his forward-thinking leadership. From spearheading initiatives to achieve carbon neutrality through Bio-Heat technologies to overseeing the expansion of CYRV (airport) to meet tourism demands, Evan's vision aligns with the community's aspirations for growth and sustainability.

"I am honoured to have been appointed to the Board and firmly believe that CAMA stands as a beacon of support, especially in times of uncertainty for CAOs navigating political shifts and the complexities of social media dynamics. Much like parachutes in turbulent air, we have the ability to offer invaluable guidance, mentorship, and resources to aid CAOs through career transitions and adversity. With over 35 years of experience, I am eager to share my knowledge and insights with the next generation of leaders. For me, mentorship and the act of 'passing the torch' are not just words; they represent a genuine commitment to CAMA and its members. Together, we can create a supportive and nurturing environment where the next generation of CAOs can thrive and lead with confidence. I look forward to working alongside my esteemed colleagues to uphold CAMA's legacy of excellence and service."
